

A table with details worth preserving

Original TableProof extraction fixture. Synthetic item data, not a customer file or financial record.

Item ID	Description	Quantity	Unit price text	Note
0007	Cable, blue	02	12.50	batch A
0011	Clip	0	0.00	
0018	Bracket	03	9.99	manual check
A-20	Tray	1	1,200.00	not totals
A-25	Panel	10	5.00	sample only
A-31	Label	4	0.25	note line

Extraction checks

Preserve leading zeros, zero quantities, decimal strings, embedded commas and the intentionally empty note. These cells are literal text; no currency, units or totals are inferred.

Simple selectable-text table. Scanned pages, merged cells, handwriting and complex layouts are outside this fixture.
